UPC: 817777013665

DESCRIPTION:
Wall-mount fiber distribution box -- 16 port with outdoor rating

Features at a Glance

- Wall-box enclosure
- Rated for indoor and/or outdoor use
- Features sixteen customizable ports for use with 13mm panel mount adapters and couplers
- Plastic construction
- Built-in fiber coiler for strain-relief and cable management
- 12.5" x 10.2" x 3.5" (260mm x 320mm x 90mm)
- Two inlet and sixteen outlet ports (typical use pattern)
- Built-in insulating gasket
- UV and water-resistant
- Wall and pole mountable

The 16 port outdoor-rated wall-box enclosure is a simple, cost-effective solution for terminating, adapting, and coupling fiber optic cables in the field. Its durable plastic construction makes it ideal for indoor or outdoor applications, and its modular design accommodates up to sixteen standard 13mm panel mount couplers and/or adapters.
