## OUR COMPANY

Structured Cable Products Inc ("SCP") – Ft. Lauderdale, FL USA, is a leading manufacturer and global supplier of low voltage cables and infrastructure accessories. Serving the Custom Installation, AV, DataCom, Electrical, CATV, and Security markets for 20 years. Please find in this brochure a listing of our core products and product line solutions.

## CELEBRATING 20 YEARS IN BUSINESS

For 20 Years SCP has been a trusted brand in the low voltage cable industry. SCP has grown into a global industry leader with sales and distribution in over 80 countries and over 1400 inventory items.

We recognize our growth and success could not have been done without the support of our domestic/international distribution partners along with a dedicated team of people here at SCP. We want to thank all of you for your support!

## WE LISTEN

When we get asked why a company should do business with SCP, the most concise reply: **WE LISTEN**. We listen to you. We listen to your challenges, your needs, your ideas and your suggestions. We then use this knowledge to develop better products, better solutions, better service, and a better company.

Our value proposition is built on four principles: **Quality, Selection, Service & Value.**

### Quality

- Uncompromising commitment to consistently deliver high quality products
- Industry innovation and leadership. Not just another brand on a box
- 3rd Party Certifications: UL, cUL, ETL, CPR EuroClasses Eca to B2ca
- Our popular tangle-free & lightweight pull boxes, now even better
- Lifetime Warranty SCP branded bulk cables
- Growing list of TAA compliant products

### Selection

- Wide product range focused on end-to-end solutions
- One-Stop-Shop with over 1400 total sku's and over 250million feet of cable in stock
- SCP brand sold in over 80 countries worldwide
- Ongoing product development to meet your needs today and tomorrow

### Service

- Knowledgeable team of people that are easy to do business with
- Training support to our value-added distributors
- Fast same day shipping from USA warehouses
- Convenient distribution centers –  
USA: Florida & Texas; Europe: The Netherlands
- Popular Programs:  
Free Shipping, Private label, OEM, and Factory Direct for our international customers

### Value

- Affordable solutions without compromising on quality
- Best combination of quality, selection, service & pricing in the industry
