## COMMERCIAL PLENUM CABLES

SCP maintains a large stock “on-hand” of NEC rated Plenum cables for commercial and institutional installations. All SCP Plenum cables are CMP/FT6 rated, FPLP, CL2P, CL3P and verified by outside standards organizations including c(UL)us and c(ETL)us. Please contact us for current pricing or if you need a cable not on this list. Items below are available at our USA warehouses only.

**Fire Alarm:** For use with fire monitoring/detection, power-limited fire systems, smoke detectors, signaling, fire protective circuits, and security systems
