HOLDS 6 FIBER ADAPTER PANELS - SLIDE OUT WIRING TRAY, LGX-118
COMPATIBLE, PUSH-PIN MOUNTING TABS- BLACK METAL - 1 EACH

SCP PART#:
F-ENCLGX-2RU6

PRODUCT SUMMARY

The 2RU rack tray features three LGX-118 compatible panel slots for fiber optic couplers and adapters. Its steel construction provides strength and durability, and its removable top panel, hinged front panel, and slide-out wiring tray simplify installations.

The tray mounts in a standard 2RU space.
