# MODULAR KEYSTONE NETWORKING SOLUTIONS

## PRODUCT LINE CARD

Easiest way to manage and customize your copper, fiber, and multimedia connectivity.

Keystone modules are internationally standardized snap-in connectors for mounting into ports on a variety of low voltage patch panels, wall plates, face plates, and boxes. Keystone modules have a rectangular face of 14.5mm wide by 16.0mm high and are held in place with flexible tabs. This allows them to be easily snapped in-or-out of mounting plates with rectangular holes, called keystone ports. All keystones, regardless of the type of jack they carry, are interchangeable and replaceable. Their small size makes them ideal for almost any low voltage connectivity requirement including networking copper, optical fiber, and multimedia applications. Installers can configure various keystone media types all in the same panel. This provides greater flexibility for Custom Integration technicians.

There is no easier way to customize your networking and multimedia connectivity than with SCP's Keystone Solutions. From our mounting hardware (patch panels, wall plates, outlet boxes) to our copper, fiber, and AV keystone jacks, SCP offers the highest quality and performance that professional technicians demand.

Learn more about SCP Modular Keystone Solutions at [www.scpcat5e.com/keystone-solutions](http://www.scpcat5e.com/keystone-solutions)

### Keystone Patch Panels

SCP Unloaded Keystone Modular Patch Panels allow you to easily customize your network panel in the field. This allows you to maximize the use of panel space with multiple configuration options for copper, fiber, and multimedia keystone modules. SCP Unloaded Keystone Patch Panels are available in standard 1RU and 2RU sizes. Mounts to any 19inch rack, cabinet, or wall bracket. Shielded and unshielded panels all come with rear cable management bars; port labels; and mounting hardware. 10GBaseT and backward compliant. For Loaded Patch Panels, please visit our website for details.

#### UNSHIELDED KEYSTONE PATCH PANELS - UNLOADED

**P/N: 324U**

Unloaded 24 Port Unshielded Keystone Patch Panel, 1RU, with Cable Mgt Bracket.  
Keystone Jacks Sold Separately - 1ea/Box

#### SHIELDED KEYSTONE PATCH PANELS - UNLOADED

**P/N: 324U-6A-SH**

Unloaded 24 Port Shielded Keystone Patch Panel, 1RU, with Cable Mgt Bracket, Grounding Wire.  
Keystone Jacks Sold Separately - 1ea/Box

**P/N: 348U**

Unloaded 48 Port Unshielded Keystone Patch Panel, 2RU, with Cable Mgt Bracket.  
Keystone Jacks Sold Separately - 1ea/Box

#### BLANK KEYSTONE SNAP-IN INSERTS

**P/N: 207-AL, BK, IV, LA, WT**

10pc Pack - Blank Keystone Snap-In Inserts, UL Listed - Bag  
Blank Keystone Snap-In Inserts are used to fill in unused ports on panels and wall plates. Protects against dust and provides clean professional finish. Reusable. Also protects against tampering. UL Listed.  
Available Colors: Almond, Black, Ivory, Light Almond, White

# Keystone Jacks

SCP offers a variety of Keystone Jacks for copper, fiber, and multimedia connectivity. SCP Keystone Jacks are engineered to provide superior performance, reliability, and cost effectiveness for all your low voltage connectivity requirements. All our keystone jacks are UL Listed and exceed compliance for their applicable regulatory standards.

## 180° TOOLLESS KEYSTONE RJ45 JACKS

These 180° RJ45 Keystone Jacks are ideal for panel mount installations as they provide in-line horizontal cable termination. Available in Shielded and Unshielded. Our Toolless design provides Fast and Easy Terminations. All of our 180° RJ45 Keystone Jacks work with our SCP exclusive 6-Color Snap-On ID Bars for easy port and cable management.

*Standards: 10GBaseT; ANSI/TIA 568.2-D; ISO/IEC 11801 Class Ea, E, D; PoE: IEEE 802.3bt Type 1-4; UL Listed.*

*Features Include: Interchangeable (6) Color Coded Snap-On ID Bars; 180° Degree Design is Ideal for Patch Panel Applications; Narrow Design Supports Side-by-Side Installation in Patch Panels; Enhanced Crosstalk (AXT) Cancellation; Wire Layout Diagram Simplifies Termination and Reduces Untwisting of Cable Wires; Wire Pattern Label Type B. Base Jack Colors: BK= Black, WT=White*

	SCP Part No.:	Shielded 180° RJ45 Keystone Jacks
	CAT6A-SH-JACK-WT	10GBaseT RJ45 8P8C Shielded Keystone Jack (Toolless) for Cat7a/6a/6 Shielded Cabling, 23 AWG. ANSI/TIA 568.2-D, ISO/IEC 11801 Class Ea, E; PoE: IEEE 802.3bt Type 3,4. Slim Design, Fully Shielded Zinc Alloy Shell- White Clip- 1ea/bag.  <i>For High-Bandwidth 10GBaseT Networks- Cat6a/7a STP cables. Backward Compatible for Cat6 Shielded Cabling. Works with cable conductors 22-23AWG, 8P8C. Toolless Design for Fast and Easy Terminations. Fully Shielded Zinc Alloy Shell.</i>  <i>Features Include: Fully Shielded 180° Degree Design is Ideal for Patch Panel Applications; Narrow Design Supports Side-by-Side Installation in Patch Panels; Enhanced Crosstalk (AXT) Cancellation; Wire Layout Diagram Simplifies Termination and Reduces Untwisting of Cable Wires; Wire Pattern Label Type A/B. Works with SCP Exclusive 6-Color Snap-On ID Bars, sold separately.</i>
	SCP Part No.:	Unshielded 180° RJ45 Keystone Jacks
	KJ180U-CAT6/6A-BK, WT	Cat6/6A UTP 180° Keystone Jack 110 Style, Toolless, w/6-Color Snap-On ID Bars, 568B Wiring Label, ANSI/TIA 568.2-D, ISO/IEC 11801 Class Ea, E; UL 1 ea/Bag  <i>Features Include: Unshielded 180° Degree Design is Ideal for Patch Panel Applications; Narrow Design Supports Side-by-Side Installation in Patch Panels; Enhanced Crosstalk (AXT) Cancellation; Wire Layout Diagram Simplifies Termination and Reduces Untwisting of Cable Wires; Wire Pattern Label Type A/B. Includes SCP Exclusive 6-Color Snap-On ID Bars in every pack.</i>
	KJ180U-C5E-BK, WT	Cat5e UTP 180° Keystone Jack 110 Style, Toolless, w/6-Color Snap-On ID Bars, 568B Wiring Label, ANSI/TIA 568.2-D, ISO/IEC 11801 Class D; UL- 1 ea/Bag  <i>Features Include: Unshielded 180° Degree Design is Ideal for Patch Panel Applications; Narrow Design Supports Side-by-Side Installation in Patch Panels; Enhanced Crosstalk (AXT) Cancellation; Wire Layout Diagram Simplifies Termination and Reduces Untwisting of Cable Wires; Wire Pattern Label Type A/B. Includes SCP Exclusive 6-Color Snap-On ID Bars in every pack.</i>
	SCP Part No.:	SCP 6-Color Keystone Snap-On ID Bars
	KJ-BARS	SCP Keystone Snap-On ID Bars - (6) Colors- Blue, Green, Orange, Purple, Red, Yellow - 1 color each - 10pc Master Pack  <i>SCP Exclusive. Improve your Port and Cable Mgt with SCP Color-Coded Snap-On ID Bars. Interchangeable (6) Color Coded Snap-On ID Bars eliminates need to stock different colored jacks. Colors: Blue, Green, Orange, Purple, Red, Yellow.</i>

## 90° KEYSTONE RJ45 JACKS – PUNCHDOWN

SCP offers a full line of Type 110, 90° keystone jacks for Cat6 and Cat5e UTP cabling. Our jacks include color coded wiring labels both Type A & B wire patterns providing fast and accurate terminations. These jacks can be used with our keystone patch panels, wall plates, and any Keystone compliant components.

Our 90° Keystone Jacks are available in (10) different colors complying with ANSI/TIA 606-C color coding. UL Listed, compliant with ANSI/TIA 568.2-D, ISO/IEC 11801 Class E, D; and PoE: IEEE 802.3bt Type 2-1.

	SCP Part No.:	Cat6 Keystone Jacks Unshielded
	CAT6-JACK-AL, BK, BL, BN, GN, IV, LA, OR, WT, YL	Cat6 UTP 90° Keystone RJ45 Jack, 8P8C, 50µ Gold Plated Contacts, IDC Cap, UL Listed- 1 ea/bag  <i>Standards: ANSI/TIA 1096-A, ANSI/TIA 568.2-D, ISO/IEC 11801 Class E, PoE: IEEE 802.3bt Type 1-2 Available in 10 Colors: Almond (AL), Black (BK), Blue (BL), Brown (BN), Green (GN), Ivory (IV), Light Almond (LA), Orange (OR), White (WT), and Yellow (YL).</i>
	SCP Part No.:	Cat5e Keystone Jacks Unshielded
	101-BK, BL, BN, GN, IV, LA, OR, RD, WT, YL	Cat5e UTP 90° Keystone RJ45 Jack, 8P8C, 50µ Gold Plated Contacts, IDC Cap, UL Listed - 1 ea/bag  <i>Standards: ANSI/TIA 1096-A, ANSI/TIA 568.2-D, ISO/IEC 11801 Class D, PoE IEEE 802.3bt Type 1 Available in 9 Colors: Black (BK), Blue (BL), Brown (BN), Green (GN), Ivory (IV), Light Almond (LA), Red (RD), Orange (OR), White (WT), and Yellow (YL).</i>

# Optical Fiber Keystone Modules

Optical Fiber Keystone Jacks are the easiest and most cost effective way to manage your fiber and ethernet networks. Customize your fiber connections onsite. More efficient use of rack and panel space. Easy to change and manage.

**P/N: F-KJ-MMLCLCD-BK, WT**  
Duplex LC to LC Multimode  
Fiber Optic Keystone Jack  
1 jack/ea

**P/N: F-KJ-MMSCSC-BK, WT**  
Simplex SC to SC Multimode  
Fiber Optic Keystone Jack  
1 jack/ea

**P/N: F-KJ-SMLCLCD-BK, WT**  
Duplex LC to LC Single-Mode  
Fiber Optic Keystone Jack  
1 jack/ea

**P/N: F-KJ-SMSCSC-BK, WT**  
Simplex SC to SC Single-Mode  
Fiber Optic Keystone Jack  
1 jack/ea

**P/N: F-KJ-SMSCASCA-BK, WT**  
Simplex SC/APC to SC/APC Single-Mode  
Fiber Optic Keystone Jack  
1 jack/ea

## AUDIO/VIDEO KEYSTONE MODULES

Keystone Snap-In Inserts for BNC, F, RCA, Speaker Binding Posts, HDMI to HDMI

**P/N: 208-IV, WT**  
BNC Keystone Snap-In Insert -  
Nickle Plated, UL - 50ea/per Bag

**P/N: 209-AL, BK, BR, IV, LA, WT**  
1 GHz F-Connector - Keystone Snap-  
In Insert, Female to Female, Nickle  
Plated, UL - 50 ea/per Bag

**P/N: 209G-BK, IV, WT**  
1 GHz F-Connector - Keystone Snap-  
In Insert, Female to Female, Gold  
Plated, UL - 50 ea/per Bag

**P/N: 209-3GHZ-WT**  
3 GHz F-Connector - Keystone Snap-  
In Insert, Female to Female, Gold  
Plated, UL - 50 ea/per Bag

**P/N: 241BK-IV, WT**  
Speaker Binding Post - Keystone  
Snap-In Insert, Gold Plated, Black/  
Ivory, Black/White - 50 ea/per Bag

**P/N: 241RD-IV, WT**  
Speaker Binding Post - Keystone  
Snap-In Insert, Gold Plated, Red/  
Ivory, Red/White - 50 ea/per Bag

**P/N: 243BK-AL, IV, WT**  
RCA - Keystone Snap-In Insert, Gold  
Plated, UL - Black/Almond, Black/  
Ivory, Black/White - 50 ea/per Bag

**P/N: 243BL-AL, IV, WT**  
RCA - Keystone Snap-In Insert, Gold  
Plated, UL - Blue/Almond, Blue/Ivory,  
Blue/White - 50 ea/per Bag

**P/N: 243GN-AL, IV, WT**  
RCA - Keystone Snap-In Insert, Gold  
Plated, UL - Green/Almond, Green/  
Ivory, Green/White - 50 ea/per Bag

**P/N: 243RD-AL, IV, WT**  
RCA - Keystone Snap-In Insert, Gold  
Plated, UL - Red/Almond, Red/Ivory,  
Red/White - 50 ea/per Bag

**P/N: 247-AL, IV, WT**  
F-Connector Female to RCA Female -  
Keystone Snap-In Insert, Gold Plated,  
UL - 1ea/Bag

**P/N: 251-WT**  
HDMI Female to HDMI Female -  
Keystone Snap-In Insert, for Passive  
HDMI connections only - 1ea/Bag

## Keystone RJ45 Feed-Thru Couplers

SCP Keystone RJ45 Feed-Thru Couplers can be used as consolidation points in panels and wall plates. Also ideal for cross-connections. Compatible with all SCP Keystone connecting hardware. Accepts SCP Snap-On ID Bars for Color Coding. Standards: ANSI/TIA 568.2-D; ISO/IEC 11801; TIA 1096-A. Available in Shielded and Unshielded.

Available Colors: BK= Black, WT= White

	SCP Part No.:	Keystone RJ45 Feed-Thru Coupler
	KCOU-10GSH	10G Shielded Keystone Feed-Thru Coupler - Inline/Slim Style, Full Shield Zinc Alloy, 10GBaseT Cat6a STP, ANSI/TIA 568.2-D, ISO/IEC 11801 Class Ea - 1ea Bag/10pc Mstr Pk. Accepts SCP Snap-On ID Bars for Color Coded Mgt, Sold Separately.
	KCOU-6SH	CAT6 Shielded Keystone Feed-Thru Coupler - Inline/Slim Style, Full Shield Zinc Alloy, CAT6 STP, ANSI/TIA 568.2-D, ISO/IEC 11801 Class E - 1ea Bag/10pc Mst Pk. Accepts SCP Snap-On ID Bars for Color Coded Mgt, Sold Separately.
	KCOU-6U-BK, WT	CAT6 Unshielded Keystone Feed-Thru Coupler - Inline/Slim Style, CAT6 UTP, ANSI/TIA 568.2-D, ISO/IEC 11801 Class E - 1ea Bag/10pc Mst Pk. Accepts SCP Snap-On ID Bars for Color Coded Mgt, Sold Separately.
	KCOU-5EU-BK, WT	CAT5E Unshielded Keystone Feed-Thru Coupler - Inline/Slim Style, CAT5e UTP, ANSI/TIA 568.2-D, ISO/IEC 11801 Class D - 1ea Bag/10pc Mst Pk. Accepts SCP Snap-On ID Bars for Color Coded Mgt, Sold Separately.
	104A-BK, WT	Cat5e RJ45 8P8C Keystone Feed-Thru Coupler - Unshielded, 180° Female to Female - 1ea/bag

# Keystone Wall Plates

SCP Wall Plates and our Keystone Snap-In Modules are the preferred choice by commercial and residential integrators. Easily customize your connectivity on the jobsite with our keystone wall/face plate options. North America sized Single, Double, & Triple Gang

## ANGLED WALL PLATE

P/N: **202A-WT**  
2 Port Angled Keystone Wall Plate, Single Gang, UL ABS - White - 1ea/ Bag

P/N: **201-AL, BK, BR, IV, LA, WT**  
1 Port - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **201-WT-GF**  
1 Port - Keystone Wall Plate - Standard, Single Gang, UL - White Glossy Finish - 1ea/Sold in 10 Pack

P/N: **202-AL, BK, BR, IV, LA, WT**  
2 Port - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **202-WT-GF**  
2 Port - Keystone Wall Plate - Standard, Single Gang, UL - White Glossy Finish - 1ea/Sold in 10 Pack

## STANDARD KEYSTONE STYLE WALL PLATE

P/N: **202-AL, BK, BR, IV, LA, WT**  
2 Port - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **203-WT-GF**  
3 Port - Keystone Wall Plate - Standard, Single Gang, UL - White Glossy Finish - 1ea/Sold in 10 Pack

P/N: **204-AL, BK, BR, IV, LA, WT**  
4 Port - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **206-AL, BK, BR, IV, LA, WT**  
6 Port - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **2012-AL, IV, WT**  
12 Port - Keystone Wall Plate - Standard, Double Gang, UL - 1ea/Sold in 10 Pack

## STANDARD KEYSTONE STYLE WALL PLATE - MID SIZE

P/N: **301-LA, WT**  
1 Port - Mid Size - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **302-AL, LA, WT**  
2 Port - Mid Size - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **303-AL, LA, WT**  
3 Port - Mid Size - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **304-LA, WT**  
4 Port - Mid Size - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

P/N: **306-AL, LA, WT**  
6 Port - Mid Size - Keystone Wall Plate - Standard, Single Gang, UL - 1ea/Sold in 10 Pack

## DECORATOR STYLE WALL PLATE WITH KEYSTONE PORT INSERTS

P/N: **201D-AL, IV, LA, WT**  
Single Gang - Decorator Style Face/Wall Plate with 1 Keystone Port Insert, UL, ABS - 1ea/Sold in 10 Packs

P/N: **202D-AL, IV, LA, WT**  
Single Gang - Decorator Style Face/Wall Plate with 2 Keystone Port Inserts, UL, ABS - 1ea/Sold in 10 Packs

P/N: **203D-AL, IV, LA, WT**  
Single Gang - Decorator Style Face/Wall Plate with 3 Keystone Port Inserts, UL, ABS - 1ea/Sold in 10 Packs

P/N: **204D-AL, IV, LA, WT**  
Single Gang - Decorator Style Face/Wall Plate with 4 Keystone Port Inserts, UL, ABS - 1ea/Sold in 10 Packs

P/N: **206D-AL, IV, LA, WT**  
Single Gang - Decorator Style Face/Wall Plate with 6 Keystone Port Inserts, UL, ABS - 1ea/Sold in 10 Packs

# Multimedia Keystone Outlet Box

SCP Multimedia Keystone Outlet Box serves as a transition point inside the room or office. This multimedia box allows for copper, fiber, and/or coax to be custom configured as needed with the 4 Keystone ports. This Multimedia Keystone Outlet Box easily attaches to single gang electrical or low voltage mounting brackets. Includes built-in fiber holder.

P/N: **F-KS04**  
4 Port Keystone Multimedia Wall Outlet, Unloaded - Single Gang, w/Fiber Coiler, UL ABS - White - 1ea

P/N: **C63GHZFSCAPC**  
4 Port Keystone Wall Mount Premise Wall Box, White with Fiber SM (SC/APC) Green Coupler + Cat6 Keystone Jack (white) + F-Conn F81 (3Ghz) Keystone Jack + Blank Port Snap-In Insert - 1 ea/Box
